

Dear Supporters,

The Joy of Sports Foundation, Inc. was founded with the specific goal of expanding and enhancing athletic opportunities and experiences for all youth in Derry Township!

We have had the privilege of working toward this goal with local recreational organizations and the Derry Township athletic community at large by providing information about recreational programs available to our youth, workshop and training opportunities to coaches, parents, and volunteers, and monetary support of various youth recreational sports related initiatives.

We would be remiss to not acknowledge the tireless dedication and countless hours of the volunteers across the entire community who make recreational sports a reality for our youth. To that end, The Joy of Sports Foundation proudly announces our First Annual Recreational Sports Volunteer Recognition Dinner to be held on Thursday, June 14, 2018 at the Purcell Center.

This event will be an opportunity for all youth recreational sports organizations in Derry Township to recognize an outstanding volunteer within their organization and thank them for their dedication and efforts.

Additionally, The Joy of Sports Foundation will recognize Derry Township School District Athletic Director Scott Govern and Derry Township Parks and Recreation Director Matt Mandia with an award of special recognition for their ongoing efforts and support of the recreational athletics community.

To achieve our goal of allowing all recreational organizations to participate and recognize their outstanding volunteer, and to enable our organization to continue our efforts of fostering fun in youth athletics, we are seeking the support of community businesses. The enclosed listing of sponsorship opportunities provides an overview of sponsorships available for the event. A board member from our organization will be reaching out to you directly in the very near future to answer any questions you may have and to discuss your participation in this event. Just as we are dedicated to our mission of expanding and enhancing athletic opportunities, we also sincerely value the community partners who help us to achieve this goal and strive to maximize the benefit to you for your business' investment.

Thank you in advance for your consideration and collaboration,

Ann Zaprazny
