# Message from the Chair

As we wrapped up our 11<sup>th</sup> year of serving the Hershey community, the Joy of Sports Foundation is proud of the impact we continue to make. Our mission remains clear: to help youth and families be active, recognize the achievements of student-athletes, and offer meaningful education to coaches, parents, and athletes.

This past year, we:

- Supported programs that gave local youth and families opportunities to be active.
- Celebrated student-athletes whose commitment to excellence inspires all of us.
- Provided education and resources to coaches within our community.

We are also proud of our financial investment of more than \$8,000 back into the community through team sponsorships, scholarships for memberships to the Derry Township Community Center, and three \$1,000 Triple Impact Competitor Scholarships recognizing student-athletes for their character, leadership, and sportsmanship. Through these efforts, and by keeping registration fees affordable, JSF ensures that cost is never a barrier to participation.

We offer a heartfelt thank-you to two dedicated board members whose terms came to an end:

- Chris Painter, Advanced Insurance Solutions
- Heath Greene, Edward Jones

As we look to the future, our vision is to expand our reach and impact. We want to help even more youth, adults, and families experience the joy of an active lifestyle. To grow our impact, we need additional community members who care deeply about youth development and active lifestyles to join our board and share in this mission.

If you are passionate about helping young people and families be active, we invite you to attend a monthly board meeting and learn how you can contribute.
